Compàirteachas/Partnership

The core business of Sgoil Ghàidhlig Ghlaschu is the revitalisation of the Gaelic language from 3-18. The school does not have a catchment area and pupils come from the city of Glasgow and beyond, including other authorities that do not have Gaelic Medium provision. Most of the

pupils (85%) come from homes where no Gaelic is spoken. We encourage parents to try and learn Gaelic to help support their children with homework and other areas of school life.

We have a Parent Council who is actively involved in the development of the school. They contribute to fundraising, the campus development and provide information on issues concerning the school.

Ar n-Amasan/Aims

We provide a Gaelic environment that supports and equips our young people in the four capacities of a Curriculum for Excellence.

- ◆ Successful Learners - through high standards of teaching and learning in a broad and balanced curriculum
- ◆ Confident Individuals - through providing support and guidance for pupils to take responsibility for leading their own learning and achieving their potential
- ◆ Responsible Citizens – through developing partnerships, citizenship experiences and community links
- ◆ Effective Contributors -through enhancing the importance of the Gaelic language and culture with the school community, through the school community and outside the school community
